

## Crookfur 2019 Booster Giveaway: Terms & Conditions

- This offer refers to and is redeemable at Pets'n'Vets-Crookfur only.
- Clients registering with us must do so with the intention of using our practice for ongoing Veterinary Care. We reserve the right to refuse a free booster if we consider the client's intention to be otherwise.
- Clients will be required to give Pets'n'Vets -Crookfur permission to seek medical history for previous treatment from previous veterinary practices.
- This offer is available for Dogs and Cats only.
- Definition: "Booster" = a single Pet Vaccine.
- We will use Nobivac vaccines only – provided that they are deemed suitable for your pet by our vets – this may include all or any of the components D,H,P, L2 for Dogs and Tricat FeLV for cats – at the discretion of the vet.
- We are unable to offer boosters out-with those that we usually hold in terms of brand or content.
- Any vaccination for component other than those mentioned above is not included.
- Boosters will be administered at the discretion of the Veterinary Surgeon and may be withheld without recompense should they feel that vaccination is not suitable for that particular pet or at that particular time, entirely at their discretion.
- Free boosters will be limited to a maximum of 4 per household.
- Should medical history be requested for a pet by another veterinary practice within 12 weeks of free vaccination, the Pets'n'Vets Family reserve the right to recoup the cost of vaccination (at our usual price) from the client.
- This offer is open only to those whose home address has a G77 postcode, pets must reside at the same location on a full-time basis to qualify.
- Pets whose vaccinations have lapsed will receive one of the two vaccinations required free of charge under this offer – the other part of the vaccination will be charged at our usual price.
- There is no alternative to this offer – financial or otherwise.
- Registration by phone or in person will reserve a booster. Appointments must be made for the booster to be administered before 24th May 2020.
- The booster must be given by 24th May 2020. The offer becomes invalid after that date regardless of registration.
- Should we designate all 250 free boosters, or for any other reason, we reserve the right to close the offer early and without notice.
